

SENIORS!

Do you have a January 1 or January 15 college application deadline?

If January 1 or January 15 is your first college application deadline, make sure you have done the following:

- 1) Complete your **Student Brag Sheet and Parent Brag Sheet** in Naviance to provide information for your counselor recommendation
- 2) Request your **transcripts** two ways:
 - 1) on the blue paper form in the College and Career Center and
 - 2) in Naviance
- 3) Request your **teacher recommendations** in Naviance

Need help with the above or with planning what you're going to do after you graduate from Jackson-Reed? Schedule a meeting with Ms. Levenson or Mr. Reeves in the College and Career Center, Room 108A
