

Jackson-Reed HS Cyber Patriot Summer Camp 24-28 June 2024

Jackson-Reed High School is offering a Cyber Patriot Summer Camp from 24-28 June 2024. This camp is offered free to all 8th, 9th, and 10th grade DCPS students interested in learning more about computers and cybersecurity. Camp sessions will begin each day at 9:00 am and end around 1:0 pm.

The 20-hour camp is designed for completion over five days with the final day serving as a “miniature cyber competition day”. The camp will cover the following topics:

- Introduction: Cybersecurity career opportunities, cyber ethics, online safety, how computers work, cyber threats, cybersecurity principles, virtual machines
- Windows 10: Basic security policies and tools, account management, file protections, auditing and monitoring
- Linux/Ubuntu 16: Introduction to Linux, Ubuntu 16 terminology and concepts, basic graphical user interface security, basic command line security, intermediate Ubuntu security.

To enroll, please submit a completed permission slip to mark.oconnor@k12.dc.gov by 15 June 2024. For further information, please contact LTC Mark O’Connor at (703) 789-1622.
